CÎROC™ ULTRA-PREMIUM VODKA : “THE ART OF CELEBRATION”

Cîroc Vodka is enjoyed by celebrities worldwide for its unforgettable taste sensation, worthy of the most exciting and exclusive parties.

Created in 2001 for the Diageo Group by Jean-Sébastien Robicquet, founder of the Cognac-based Maison Villevert, Cîroc is among the latest successes of the world's leading spirits business.

The art of distilling acclaimed worldwide:

- Ranked No. 2 among the world's ultra-premium vodkas*
- Listed in the Top 10 most prestigious international spirits labels*

An innovative character that challenges tradition:

- The reference in premium vodkas distilled from French grapes, unlike competitors distilled from grain or potatoes
- A cold wine-making process is used, as for the finest wines, and a 5th distillation creates the unique signature

An ultra-premium taste and texture:

- Silky smooth texture, a natural characteristic of the grapes used in Cîroc™ Vodka
- Citrus notes for exceptional freshness!

A clean, modern design, reflecting the style of Cîroc™ Vodka:

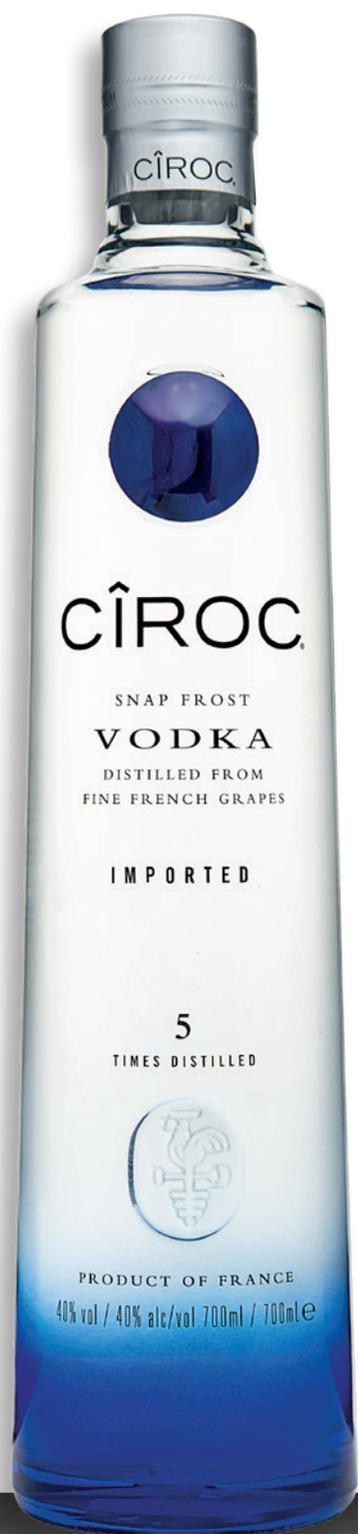

- The symbols of France: a bunch of grapes and a rooster
- The colour blue, inspired by the flowers of south-western France

Cîroc™ Vodka can be sipped on the rocks, as a long drink or as an ingredient in cocktails.

“Grapes are for Kings; grain is for the common people”
