TRUE FRENCH LUXURY

Belaire Luxe is an authentic Blanc de Blancs, a sparkling wine made from 100% Chardonnay grapes recognised for their rich and delicate character. Our family winery dates back to 1898, and today we fifth- and sixth-generation oenologists still craft each bottle in the time-honoured tradition of our forebears.

This sparkling wine is produced in the historic wine heartlands of Burgundy, a region known the world over for the quality and finesse of its Chardonnay.

Belaire Luxe's outstanding flavour results from the special dosage we use, made with Chardonnay grapes harvested in the widely famed Chablis vineyards and aged for 6 months in oak casks.

The wine is perfectly balanced – smooth, yet lively on the palate and highly refreshing with its light, fruity profile enhanced.

Tasting notes

Refreshing with luscious aromas of grapefruit, peach, apricot and honeysuckle, leavened with some brioche notes.

A luxurious bottle

Our bottle is entirely coated in snow-white lacquer, adorned with our silkscreened golden label and a gold leaf foil over its neck and wire cap – the antithesis of most other brands, which cover their bottles in a plastic sleeve and use paper labels. Our Belaire Luxe bottle is distinctly a cut above the rest.

Suggestions for serving and pairing with food

Ideal as an apéritif or digestif, before or after a meal, Belaire Luxe can also be enjoyed over ice cream with fresh fruit to bring out its crisp, fruity notes. It is also a wonderful complement to any dessert or cheeses, fish dishes and grilled meats.
