LUC BELAIRE ROSÉ

French elegance and refinement

Luc Belaire celebrates France's status as the originator of fine sparkling wine, combining grapes of rare quality with the craftsmanship that can only be found at a family-operated winery like ours, and guaranteeing an unforgettable experience in every bottle.

Each expression in the Luc Belaire range exemplifies the best France has to offer. Through its superb taste and unique design, every bottle of Belaire is synonymous with quality, heritage and elegance.

Belaire Rosé is a uniquely refined sparkling wine produced in south-eastern France's Provence-Alpes-Côte d'Azur region, famed for producing the world's finest Rosé wines. Belaire Rosé is produced by the 5th and 6th generations of winemakers in their winery founded in 1898 and is sold in more than 55 countries.

Besides its refined and refreshing flavour, Belaire Rosé is instantly recognisable for its famous Black Bottle.
