

ANNE BONNY

A breeze of freedom

THE STORY

Anne Bonny is the named of a famous pirate who distinguished herself in the golden age of piracy by her bravery, determination and rebellious personality. In 1718, at the age of 21, she met her future husband and pirate, James Bonny. This affair led her to leave the United States for the Bahamas, a recognised stronghold for renowned pirates. She then fled the Bahamas with Captain Calico Jack Rackham. As a true rebel, she never hesitated to break the rules, even cross-dressing as a man, changing her identity to become Adam Bonny, and finally giving free rein to her romance with a woman, also a pirate, called Mary Read. Her fate is an invitation to everyone to become the protagonist of their own lives.

A MULTI-HORIZON BALANCE

Like Anne Bonny, who travelled the world's oceans, Anne Bonny Spirit Drink is a blend of many cultures. Made from a blend of products from Jamaica, Réunion and the Dominican Republic, this blend has a beautiful amber colour.
